MOTION TO SEAL CASE

The United States of America (United States), pursuant to LR 79.3, represents to the Court that it is necessary to seal this case to prevent disclosure of this garnishment proceeding to the defendant and his spouse prior to service of process on the garnishee, which is believed to be in possession, custody, or control of the defendant's substantial nonexempt property.

Wherefore, the United States moves this Court to seal this case until the United States files a Motion to Unseal Case or until the Court unseals the case.

Respectfully submitted,

JAMES T. JACKS
